# *GILLHAM MUST PAY HIS WIFE ALIMONY*

---

Mrs. Annie G. Gillham, who recently filed suit for divorce against her husband, Walter L. Gillham, manager of the Southern Photo Material company, was awarded \$50 per month temporary alimony and the custody of her children, by order of Judge Pendleton, in the superior court, Friday.

Mrs. Gillham, in her recent divorce suit, which is now pending, declared that her husband was a habitual drunkard and had on more than one occasion tried to kill her. She averred that the husband all but deserted her and her children and left them without support. She stated that her husband earned about \$126 a month, and that she sought a total divorce and attorney fees.

Judge Pendleton Friday ruled that Gillham pay his wife \$50 per month alimony until the case is brought to trial, that the husband pay her attorney fees of \$12.50 in monthly payments of \$5, and awarded the custody of the children, of which there are two, to the mother.
